# Mixing Paddle w/ Holes, 40", Blue

**Remco**  
a Vikan company

This two-in-one tool is handy for both mixing and scraping, and is great for a variety of applications such as soup, confectionery, dough, and sauce manufacturing as well as many other food processing or other mixing tasks. One-piece construction and the unique long-handle design make it easy to use for many jobs. Plastic is a lightweight alternative to metal mixing paddle scrapers, and will reduce fatigue for the user.

# Technical Data
