

Metal Detectable Mixing Paddle, 52", Blue

This two-in-one tool is handy for both mixing and scraping, and is great for a variety of applications such as soup, confectionery, dough, and sauce manufacturing as well as many other food processing or other mixing tasks. One-piece construction and the unique long-handle design make it easy to use for many jobs. The semi-ferrous additive in this paddle allows for use in conjunction with a metal detectable system. Metal detectable plastic is a lightweight and less costly alternative to stainless steel mixing paddle scrapers, and will reduce fatigue for the user.

Technical Data

Use of phthalates and bisphenol A Is Halal and Kosher compliant Box Quantity Quantity Per Layer (Pallet) Length 52 Width 6 Height Net Weight Tare Total Gross Weight Cubic Feet Max. cleaning temperature (Dishwasher) Max usage temperature (food contact) No Pcs 10 Pcs 10 10 10 10 10 10 10 10 10 1	Item Number	6777MD3
